Stae

New hall project wne well, 3 to 4 year project owrke out excellent

New fire truck end last year

Cip do annually set up with the budget money set aside for certain proejects,

Big pumper truck for the fd

Funds for dpw for a truck which is need with the old truck

Budget passed good looking budget show a slight operating defiecnt perfectly acceptable

Conservy estimate the revenues etc etc etc

Water fund looking very good twp has a report that deals with the Stae of Michgian nicked havenot raised rates in years have funds for future expenses

300,000 set aside along with almost 3 mil in the water department

Resident expect a hevvy raise in thee water rates.

Clerk Turner announced a new assessor 2 members on the pc and one on the parks and rec

Engineeri g firm a water tower is on the agenda not the only item but it is on the list. Longs term development

Public Comment

Gary Duncan concern about looking into different ways of receiving water in the study

Chuck Raski talked about money water customers have paid a lot of money towards the water tower kicked in a chunk of change should understand

Would like to have water rates go down because he has paid for years decrease the monthly rate

Mike mcgriff questions about the readiness to serve charge, could it be decreased if the water rates go up

New Business:

Can not reduce the wages the year of an election
