- a. DPW Building/Additional 2 bays for Fire Dept.

Trustee DeShon would like to know what the building committee recommended. Also, we need to figure out financing and how we are going to fund the building, the location and if adding additional bays.

Supervisor Manoleas presented what the building committee's recommendations were: 1.) Receive funding information from the treasurer. 2.) Site Location: same location from previous plans. 3.) No changes to existing prints. It was recommended to remove the porch in front of the building. 4.) Time frame: Spicer Group recommended to wait until later in the building season to put out for bid. The original plan had just one (1) bay.

Continued discussion by the board.

Motion by Trustee Beiser, supported by Supervisor Manoleas to move forward with the plans for three (3) bays for DPW and two (2) bays for the Fire Department for a total of five (5) bays.

Trustee Beiser withdrew original motion.

Motion by Beiser, supported by Manoleas, to have Spicer Group redo the plans to add an additional bay for a total of five (5) bays, three (3) bays for DPW and two (2) bays for the Fire Department, and to put the building in the original location where the trailers used to be.
